Mad Housers Inc. is an Atlanta-based non-profit corporation engaged in charitable work, research, and education

Our goals and purposes:

- To provide shelter for homeless individuals and families regardless of race, creed, national origin, gender, religion, or age.
- To develop low income housing for people in need of housing.
- To help people develop the skills and knowledge for constructing and rehabilitating housing and shelter.
- To increase the quantity and to improve quality of housing in the world.
- To act, if necessary as an advocate for the homeless, to ensure that their moral and civil rights are protected.

The Mad Housers believe that if a person has a secure space from which to operate, they are much more capable of finding the resources to help themselves.

“ In every community there is work to be done.
In every nation there are wounds to heal.
In every heart there is the power to do it. ”

~Marianne Williamson

Volunteer work with the Mad Housers is a uniquely rewarding experience.

The Mad Housers go directly to the homeless, and work with them to address the problem of homelessness at its most fundamental level. All you need to have is a willingness to work, and a hammer. If you don't know how to swing a hammer, don't worry: we'll teach you.

Group Builds

A Mad Houser build is a great team-building exercise. No previous skills are necessary, and there is a way for everyone in the group, no matter how skilled, to participate.
